Re: IRS 1098-T Statements for Former ITT Students

Former ITT students can access their 2016 IRS 1098-T statement by visiting https://heartland.ecsi.net/ and using one of the following methods:

- 1. If you already have a user profile with Heartland ECSI, please sign in.
- 2. You can also view your 2016 tax statement without creating a user profile by clicking on the "View Your Tax Form" link, selecting your school, and entering your first and last name, Social Security Number, and Zip Code. Please note that without a profile you will only be able to view your 2016 tax statement. If you want to view prior year tax statements, you will need to create a profile.

If you need assistance filing your tax return or have questions about how to add your 1098-T tax information to your filing, you will need to contact a tax professional.
