**Executive Director Mr. John Ware** reported on the following:

1. **State Budget Update:** The Board’s operating budget request for the biennium that begins on July 1, 2011 was included in the state budget bill (House Bill 153) that was passed in the House of Representative on May 5<sup>th</sup>. The budget bill is currently being considered by the Senate and I testified in support of the Board’s budget request before the Senate Finance Committee on May 12<sup>th</sup>. After the Senate passes its version of the budget, the process will move to a conference committee and then back to the Governor and hopefully a new budget will take effect before the end of the fiscal year on June 30<sup>th</sup>.
2. **Audit:** I distributed to the Board a copy of the Board’s audit for the period July 1, 2008 through June 30, 2010. I am pleased to report that the Auditor of the State did not find any noncompliance or significant control deficiencies in the Board’s procedures and operations.
3. **NASASPS Conference:** The annual conference of the National Association of State Administrators and Supervisors of Private Schools (NASASPS) was held May 1-4, 2011 in Denver, CO. Approximately 175 representatives from other states, accrediting agencies, guaranty agencies, schools, and the U.S. Department of Education were in attendance. During the annual members meeting, I was re-elected President of the NASASPS Board of Directors.
4. **Federal HEA Update:** The United States Department of Education (USDOE) is finalizing its implementation of the Reauthorization of Higher Education Act (approved by Congress last year) through the rulemaking process. There are a number of significant federal rule changes that are going into effect on July 1, 2011. I have given the Board a copy of a brief summary of the program integrity rule changes. The USDOE has not yet issued the final rule related to it’s gainful employment proposal but we are anticipating that the rule will be issued soon.

**Executive Director Mr. John Ware** reported on the 3<sup>rd</sup> Quarter Financial Report (see attached report).

**Investigator Ms. Kimberly Stein** reported on the following:

Below is a summary of investigate activity for FY 11:
