Executive Director Mr. John Ware reported on the following:

1. **Web Site Update:** The Board's new web site went online in October. The new web site conforms to the State's new IT standards and will give the Board the capability to develop more interactive applications for collecting and disseminating information.
2. **Annual Board:** On September 11th, we distributed the forms that will be used to gather data for the Fiscal Year 2009 Annual Report. All schools were required to submit their reports by October 7th and we have begun compiling the data to be used in the Board's Annual Report. We hope to have this year's Annual Report finalized by the end of the calendar year.
3. **Director Training:** We held our second director training seminar for this year on October 8th at the State Library of Ohio. Approximately 30 school directors were in attendance. I anticipate that we will schedule the next training seminar for spring 2010.
