Executive Director Mr. John Ware reported on the following:

1. **Board Office Relocation:** Our move to the 24th floor of the Rhodes Tower took place last week. We are in the process of updating all our forms and other documents to reflect our new address. The move will result in a rental cost reduction of 50% for the Board.
2. **Consultant Update:** Over the past year, we've seen the departure of two of our five consultant/evaluators currently under contract with the Board. We will be looking to contract with a consultant/evaluator in the Akron/Northeast Ohio area in the next month to replace Jean Basinger who left the Board a year ago. In addition, we will also be looking to replace Don Neff in the central Ohio area in the next few months.
3. **Annual Report Update:** The web based application for online submission of the annual report is now operational and schools have begun to submit data for the FY 2011 Annual Report. All schools are required to submit their reports online by September 30th and in the next month we will begin compiling the data to be used in the Board's Annual Report. We hope to have this year's Annual Report finalized by the end of the calendar year.
4. **Director Training:** We will be holding our second director training seminar for this year on October 6th at the State Library of Ohio. Approximately 25-30 school directors are expected to attend. I anticipate that we will schedule the next training seminar for the Spring of 2012.
