## **ACADEMIC PROGRAM REVIEWS AND REVISIONS**

The State Board promotes and encourages the periodic review of programs and curriculum. It is essential that programs be kept current with the best available knowledge and skills in order to meet the needs of business and industry as reflected in the marketplace and the needs of the student body that expect to be engaged in high quality, state-of-the-art programs.

When submitting a request for program revisions, please do not submit fees with the request. This office will notify you if fees are required after completion of the review.

Individual courses that are revised or restructured that do not change course objectives, title, or hours need not be submitted to the State Board for approval.
