Annual Report Data Submissions

Part I - School Information

Contact Name and Email: List the name/email of the contact person who should be contacted if there is a question about the annual report.

Part II - Summary of Annual Placement Report

Please provide data for each approved program even if no students are enrolled in the program (i.e., just put zeros in the data fields). Complete each appropriate program level for your school (i.e. Advanced Degree, Associate, Diploma, or Certificate). **NOTE**: Out-of-state schools need to list Ohio students only.

Enrollment (A): All students who were enrolled in a program any time between July 1, 2019 through June 30, 2020 must be counted. If a student enrolled in a program and dropped out (for any reason) then re-enrolls, during the period, the student should NOT be counted again.

Withdrawals (B): Students who are dismissed or withdraw, for any reason, during the period of July 1, 2019 through June 30, 2020 must be counted and reported. However, if the same student re-enrolls, and then withdraws, the student should NOT be counted.

Completions (C): All students who completed a program during the period of July 1, 2019 through June 30, 2020 , must be counted and reported.

Still Enrolled (D): All students still enrolled at the end of the reporting period.

Placed Related (E): The number of students who completed a program during the reporting period, who were employed in a job following graduation that was directly related to their program of instruction at the school.

Placed Unrelated (F): The number of students who completed a program during the reporting period, who were employed in a job following graduation that was NOT directly related to the program of instruction at the school.

Not Placed (G): Students who were seeking employment, but were not employed following graduation.

Not Available for Placement (H): The number of students who, for whatever reason, are unavailable for placement. These could be students who are already employed or due to medical or other personal reasons are not seeking placement. Also, this number could include students who have failed to report their placement status to the school.

Part III - School Employee Profile

Report and categorize all school employees. Out-of-state schools should report only agents and/or other employees who are working in the state of Ohio. Categorize employees according to their major job duties. This is done with the definitions listed below.

Types of Employees:

Administrative: Director, President, Vice President, Assistant Director, Director of Education, and other similar positions.

Instructor: Classroom teachers.

Professional: Financial Aid Officer, Placement Officer, Counselor, Psychologist, Registrar, Treasurer, Comptroller, and other similar positions.

Agent: Student Recruiters and Admissions representatives.

Other: Clerical, Maintenance Personnel, Drivers, and other whose jobs require only basic skills.

Employee Status:

Full-time: Those employees who work 30 or more hours per week.

Part-time: Those employees who work 29 or less hours per week.

Part IV - Total Annual Wages of all School Employees

Compute the total annual wages of all employees that work for the school. Out-of-state schools should report only report agents and/or other employees who are working in the state of Ohio. Use wages paid to all individuals during the entire year.

Schools may report their annual wages for either Fiscal Year July 1, 2019 through June 30, 2020 , or for the calendar year January 1, 2019 through December 31, 2019.

Part V - Income and Expenditures

Report the school's gross estimated income and expenditures for either the period of Fiscal Year July 1, 2019 through June 30, 2020, or for the calendar year January 1, 2019 through December 31, 2019.

Some schools are a part of a larger enterprise or corporation. The gross income and expenditures reported should be for the school only, not the enterprise or corporation.

Part VI - Enrollment Totals

List the number of new students enrolled during either the period July 1, 2019 through June 30, 2020. Do not include continuing students that enrolled during previous years.

List the average number of students enrolled during an academic term.

Part VII - Directory Information

List the average tuition and fee charge for full-time students during an academic term (Quarter, Semester). For schools with only one academic term, list the average tuition and fee charge for the program.

List the total dollar amount of institutional grant and scholarships awarded by the school during the period July 1, 2019 through June 30, 2020.

List the person whom students should contact for admissions information.

List the names of employers of recent graduates of your school (please separate names by commas).

List the types (sources) of financial assistance available for students. This may include federal financial aid (federal student loans and pell grants), state grants, private financial aid (SLM Loans, Key Bank, etc), BVR funding, VA funding, etc. (please separate types of assistance available by commas).
